

Productivity with more comfort.

The BV/VAC PAC HEPA series are portable back mounted vacuums great for increasing productivity, efficiency, while saving you money. Breathe easier with HEPA-level filtration standard on these vacuums. They also have an ergonomic harness system, allowing the operator to move around quickly and easily for maximum productivity.

1 Powerful and durable

- Rugged molded polyethylene housing easily endures knocks and bumps ■ associated with commercial cleaning tasks.
- Large 6 and 10 quart capacity extends working times.
- Quiet operation: 67 dBA prevents disruptive cleaning.

2

Smart features

- Light weight and comfortable harness is designed with padded hip and shoulder straps, and is adjustable to fit virtually any size operator.
- 360 degree swivel at the top of the machine allows for easy operation and prevents the hose from becoming tangled and kinked when in use.
- Power switch mounted on hip for quick on and off within easy view and reach of the operator.
